

Guidelines for Athletic Team Eligibility

- To be eligible initially for a varsity season, the student must meet the following requirements;
 - No F's or I's for the previous quarter
 - Attendance grade must be a C or better the previous quarter
 - GPA of at least 2.0 for the previous quarter

- To continue to participate once a sport has begun, the student must maintain;
 - All grades at a C- or better including attendance at midterms
 - Work obligations

- If grades at midterms have not met the above requirements, then the student has 1 ½ weeks (the following Friday) to remedy the situation. During this time the student is on a probationary period and can still practice and play games but must fix the situation by the allotted time. If the grade is not fixed in time then they are no longer on the athletic team and do not go to tournament.

- New students will be eligible at the beginning of the school year without restrictions until midterm grades.

- Students helping with athletics (books, score clock, managers) must have no F's for the previous quarter and an attendance grade of C- or higher.
