

**Columbia Adventist Academy  
School Song**

**By Lee Pyke**

**Throughout this land we call the Northwest,  
You are a place that God hath blest,  
Where youth are taught to walk life's pathway  
And learn new precepts day by day.  
Wise were the pioneers who came here,  
To found a school that grows each year,  
That sends forth Christian youth  
Prepared for life,  
To conquer in the strife.**

**Chorus**

**Oh! COLUMBIA, you're our school  
Here we learn to live the golden rule.  
Tho' e'en in distant climes our work may be,  
We will ever honor thee.**

**Yes! COLUMBIA, you're true blue,  
May bright banners ever wave o'er you.  
Tho' years pass by you'll always be  
OUR favorite ACADEMY!**

**In view of grand old Mt. St. Helens,  
In midst of vales and wooded glens,  
Thru decades you've stood for the right,  
For you we'll stand and bravely fight.  
School spirit is the slogan of C.A.  
May high your ideals ever stay,  
You're helpful influence now reaches far;  
You are a guiding star.**

**Chorus  
(See above)**

Dear Alumni,

Thank you for joining us for our 116<sup>th</sup> Alumni weekend at Columbia Adventist Academy. After 116 years it may appear that there is not much left from the early days of Columbia. However, if you look closer, you'll see there is something still present on campus from those early days. It was here when you were a student and remains to this day — community.

God used a Spirit-led, mission-driven community to build Columbia in those earliest days. That same sense of community is what held CA together in your day, and a Spirit-led, mission driven community is what will sustain CAA as a leader in Seventh-day Adventist Christian Education until our mission is complete at the second-coming of our Lord and Savior, Jesus Christ.

Columbia Adventist Academy's community was created by God to ensure that students in southwest Washington and beyond have the opportunity to be equipped with the skills and knowledge necessary to succeed wherever God leads them, advancing the Gospel one relationship at a time.

While the buildings, people, and methods may have changed over the years, the community endures and expands. As CAA alumni you take this community with you wherever you go, and God will use you to enrich and inspire more Spirit-led, mission-driven communities around the world.

As you reconnect with the CAA community this weekend, it is my prayer that our Heavenly Father will bring restoration, joy, healing, and a sense of confidence in the work that God is doing in this world through every member of His CAA community.

Welcome home!

— Gene Heinrich, CAA Principal
