Art & Ceramics

Sizes listed are required, brands are not but they are recommended.

- 9x12 mixed media sketchbook - any brand as long as the size is right and MIXED MEDIA specific
 - Prismacolor colored pencil set of at least 24 – scholar grade or premier grade, NO SPECIAL EFFECTS or color palettes, get a classic group of colors not neon or pastel sets
 - Sakura-Pigma Micron pen set – at least .02, .03, and .05, if not this brand (highly recommend) then make sure they are WATERPROOF pens
 - Hot glue stick pack
 - KOI Sakura Watercolor pan set – at least 12 colors but 24 is great. NO SPECIAL EFFECTS like shimmery or neon sets, get a classic color palette that is normal paint effect
 - Water Brush (size small or medium) OR watercolor brush sets (at least a round tip and flat tip) – you can use brushes from the classroom but these can't go home with you and aren't always the best quality
 - Eraser set – art gum, plastic/vinyl, and kneaded
 - Graphite Drawing Pencils set of 12 – any brand is fine in my opinion, but make sure you have at least 12 different pencil grades (HB, 4B, 2H, etc)
 - Laptop and charger for class
 - Not required, but a bag or box to keep everything in separate from other class materials is nice :)
-
- 8x10 inch sketchbook - any brand as long as it is at least this size
 - Laptop and charger for class
 - Pencil and eraser - can be mechanical
 - Small personal sponge - any brand small (3-4 inches across) CELLULOSE sponge, these are generally used for kitchen cleaning. Do NOT get scrubby pad, microfiber, natural sea or giant car-wash sponges
 - Hand towel - an old cotton hand towel, washcloth or small cotton towel at least 10"x10" will work great. Do NOT get microfiber, terry cloth or sentimental towels because you will ruin these
 - Apron/smock or old shirt - anything you are comfortable getting dirty and working in, clay washes out BUT this will keep your clothes nicer longer
 - Folder for any handouts
 - Not required but if your student would like their own set of BASIC clay tools get the following:
 - Wooden clay modeling tool
 - Needle tool
 - Ribbon tool
 - Loop tool
 - Small metal rib tool
